LANGTON MINI BLADES MAKE A SIGNIFICANT DONATION TO NORFOLK KIDSPORT!

Langton, Ontario – November 4, 2013

Last week, 10 pairs from the Langton Skating Club and area minor hockey associations participated in the CBC Mini Battle of the Blades Competition, performed in front of a full house at the Langton Arena and were filmed by a CBC production crew. The event was open to the general public by donation.

Chris Denn, president of the Langton Skating Club is pleased to announce a significant donation to Norfolk KidSport. “The community donated generously at the event and on behalf of the Langton Skating Club and the Langton Mini Blades a contribution of \$1000 will be made to Norfolk KidSport.,” announced Denn.

Norfolk KidSport provides support to children in order to remove financial barriers that prevent them from playing organized sports.

Lisa Girard, Active Living Coordinator for Norfolk County was ecstatic over the donation. “This is a sizeable donation to Norfolk KidSport and it will directly benefit children in our community so that they too can participate in sports,” said Girard.

The winning pair representing the Langton Skating Club, Paige Vandendriessche and Jordan Vanacker have been highlighted on the CBC Battle of the Blades website and is competing against the 6 other local winners across Canada to win a trip to Toronto to attend the season finale of the Battle of the Blades later this month.

Mayor Dennis Travale was pleased to serve as one of the judges at the Langton Mini Blades event and continues to offer his ongoing support to the pint-sized national competition. “There is still lots of time to vote for our Langton Skaters and support our community,” said Travale.

“Go to www.cbc.ca/battle and vote,” added Denn.

Voting closes on Tuesday, November 5, 2013 at 8:00 pm EST.
