## **LANGTON MINI BLADES GLIDING, SPINNING AND JUMPING SO OTHER KIDS CAN TOO!**

Langton, Ontario – October 25, 2013

With less than 5 days to go before the CBC Mini Battle of the Blades competition at the Langton Skating Club

on Tuesday, October 29, 2013 we are excited to announce that a portion of our event's proceeds will be donated to Norfolk KidSport.

Chris Denn, president of the Langton Skating Club said, "It is fitting to donate to an organization that believes that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports,"

KidSport provides support to children in order to remove financial barriers that prevent them from playing organized sports. Donations made by those in attendance will directly benefit children in our local community.

Lisa Girard, Active Living Coordinator for Norfolk County was thrilled to hear the news of the Mini Blades donation. "It will continue to help kids participate in sports, encourage them to sign up and help parents have the opportunity to register their children for sports they never thought possible," said Girard.

"What better way for our own Mini Blades skaters to show their support than to give back to other children who dream of participating in sports," added Denn.

The event is being held at the Langton Arena at 7:00 p.m. and will be open to the general public.
