

CARNIVAL

This year's carnival is tentatively scheduled for **Saturday April 2, 2022**. Dress rehearsal will tentatively be held Friday April 1, 2022. A sign-up sheet to help with set-up at the arena will be posted on the bulletin board prior to the carnival. Please help by volunteering your time to make the show a success!!

Your child will receive carnival forms to participate in the carnival February.

*****WITHOUT THIS FORM WE WILL ASSUME YOUR CHILD WILL NOT PARTICIPATE IN THE CARNIVAL*****

Please fill this form out and return it to any club member or to the skating room as soon as possible so that costumes and props can be ordered for your skater. Please note that costumes need to be returned to the club after the last show.

Langton Home Club Intermediate and Senior Starskaters who have registered for the entire skating season may partake in a feature number (to be decided by the coaching team) however this will involve a fee in addition to the Carnival fee collected at January registration.

As of Monday, March 14, 2022 coaches will be using ice time for Pre-Canskate and Canskate exclusively for carnival practices for these skaters. If your child is not participating in carnival their last skating session will occur the week of March 7, 2022.

Any questions regarding Carnival should be forwarded to:
