

## SENIOR STARSKATE

Skaters will be placed into Senior Starskate according to ability levels based on coaching discretion.

There is an option this year to have a 30 minute Senior group lesson with a coach (maximum of 6 skaters). Parents may still choose additional days and may choose to hire additional private coaching or the child(ren) can work on their own. Any Skate Canada test fees and/or partner fees will be an extra cost and is the responsibility of the parent. Please discuss fees with your coach and partner.
